Selectmen's Letter

1966

Dear Citizens of Ashland,

Each year at this time we have an opportunity to apprise you of the events of the past twelve months. We take this method for keeping you abreast of the current affairs of your town.

We are very proud that we now possess a complete bound set of Town Reports dating from 1861, when Ashland was still part of Holderness, to 1965. It is our sincerest desire to continue this project by having each five year series bound in book form. These volumes are available to anyone who desires to use them in the Town Office. They are stored in the wall safe located in the rear of the Town Office. Our appreciation to those citizens who so generously donated their rare copies to make possible a nine volume complete history of our town.

The above mentioned wall safe was given to the town by Lawson W. Glidden, to whom we convey our profound thanks.

It is required by law that the town maintain a fireproof room for safekeeping of all Town records. Since 1958, when the original town vault was razed to make room for additional fire truck space, in the station house, the town records were situated unprotected, at various places, throughout the town. It is the duty of the Selectmen to insure the safekeeping of the records, therefore, we instructed Mr. Elmer Marsh and Mr. Charlie Flanders to proceed with construction of a town vault at the rear of the Town Office Building. It is so placed that in the event of a fire, it will be easily accessible for a continual hosing by the Fire Department.

At last March meeting it was voted to extend the main on Thompson Street to the end of the street. This was installed in June at the cost of $7,225.81. At the present time we have one additional service on that extension with the anticipation of one more in 1967.

1964 was the last year that the street markings have been painted. 1965 the gentlemen from Franklin who had

always painted the streets, notified us that he was ill, and would be late in doing it. Later we were notified that he was deceased. In April 1966 we made an agreement with the Nolan Co., of Waterbury, Conn., who were to do Meredith's streets, to do ours at the same time. Late in June the painting was started with a promise to complete the job after the 4th of July holiday. The job was never finished and payment was never rendered.

The State of N. H. requires that the Tax Collector will hold office hours at least four hours each month in the Town Office. By her request, permission was granted to use the Town Office the last Saturday of each month from nine to one.

By the authority invested in us by vote at the last Town Meeting, we proceeded to advertise and sell the so-called Saw Mill Dam on River St. This was sold in June to Miner's Marine Basin, Inc.; Boats Service, Inc., and Squam Boats, Inc. for the amount of $5,000.00. This property actually was owned by the Electric Dept. but we felt it was expedient to credit the amount to the revenues of the town, to help reduce the tax rate for 1966.

This was a progressive year for the Electric Dept. as pictured on the cover of this report, the old way of replacing a mercury - vapor street light with a ladder and platform, and the new way with the new electric truck equipped with boom. This new addition to the Electric Dept. which was voted for at March meeting, was delivered in August.

The Willys Jeep has been retained for use by all departments. Due to the fact that when we offered it for bid, the highest bid being of a minimal sum, we deemed it desireable to utilize it for the town.

In keeping with our updating policy, this last year we added two new rates to our Electric services, a water heating rate and a space heating rate. The water heater rate consists of a minimum tank size of 40 gals. with two thermostatically controlled units which will not operate simultaneously, each with a rating of no more than 4500 watts. Both elements shall be connected by means of an approved circuit to a separate meter. The rate being the first 300 kilowatt hours at 2.0c and all additional at 1.5c. The space heating rate is available when electricity is the principal source of energy for comfort heating in a residence. Space heating equipment shall be connected to the main service meter and will be billed monthly on regular rate for the first 500 kilowatts and all additional at 2.0c.

Sewerage

At this writing, we have little to relate regarding our sewerage program except to say that the plans are near completion and are in the hands of the N. H. Water Pollution Commission for review and approval.

We would like to thank everyone for their cooperation given us during the past year.

Respectfully submitted,

Town Warrant — 1966

The State of New Hampshire

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Ashland Gymnasium in said Town on Tuesday, the fourteenth day of March, nineteen hundred sixty seven, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and located in the budget.

3. To see if the Town will vote to raise and appropriate the sum of $362.86 for Town Road Aid. (State to contribute $2,419.07)

4. To see if the Town will raise and appropriate the sum of $300.00 for the purpose of instituting and executing a participation program for the purchase and planting of trees and shrubs, in conjunction with interested property owners, on the Ashland streets, highways, or park grounds; said funds to be made available to the Chamber of Commerce Tree Committee who iniated a tree beautification program by the planting of 26 trees in the spring of 1966. (Petition by ten or more legal voters.) (Recommended by Budget Committee.)

5. To see if the Town will vote to authorize the Selectmen to apply, negotiate, and do all things necessary to obtain such Federal, State, or other assistance as may be available to aid in cost of preliminary reports, surveys, and plan preparation of existing conditions and future water facilities in all its various phases, and that the Town authorize the Treasurer, with the approval of the Board of Selectmen, to accept a planning advance from the United States Government under

the terms of Public Law 560, for the purpose of making said survey for the Town of Ashland, and pass any vote relating thereto. (Petitioned by ten or more legal voters.)

6. To see if the Town will vote to establish a Centennial committee, said committee members to be appointed by the Moderator, and further, that the committee be authorized to prepare for the 100th anniversary celebration of the Town in 1968. (Petitioned by ten or more legal voters.)

7. To see if the Town will vote to raise and appropriate the sum of $400.00 for the purpose of initial preparation in connection with the proposed Centennial celebration referred to in Article 6. (Petitioned by ten or more legal voters.) (Recommended by Budget Committee.)

8. To see if the Town will raise and appropriate the sum of $603.00 in order that the Town may participate in the Pemi-Baker Home Health Agency. (Petitioned by ten or more legal voters.)

9. To see if the Town will vote to appropriate a sum not to exceed $5,200.00 for the purpose of purchasing a new Bombardier sidewalk tractor and plow, said sum to be withdrawn from the highway Capital Reserve Fund. (Recommended by Budget Committee.)

10. To see if the Town will vote to accept the sum of $200.00 to be used for the perpetual care of the Frank St. Arnauld lot in Green Grove Cemetery. (Requested by Lucien St. Arnauld.)

11. To see if the Town will vote to authorize the Selectmen to appoint the highway agent. (This article will appear on the printed ballot.)

12. To see if the Town will vote to exempt from taxation for the year 1967 the air navigation facility known as Riverside Flying Service owned by Norman P. Smith, Sr. provided such facility is available for public use without charge and the owner holds a certificate from the New Hampshire aeronautics commission that it is necessary for an effective airways system. The property to be exempt shall include the surfaces maintained and available for take off, landing, taxiing, open air parking of an aircraft and any navigation or com-

munications facility and any passenger terminal building available for public use without charge pursuant to RSA 72:38 as inserted by 1963, 79:2.

13. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate $100,000.00 and to issue in the name of and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year, from taxes collected during the current municipal year.

14. To see if the Town will authorize the Selectmen to sell tax acquired property.

15. To transact any other business which may legally come before said meeting.

Given under our hands and seal this 14th day of February, in the year of our Lord nineteen hundred and sixty-seven.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 15, 1967

Board of Selectmen
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits are hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, District Court, Library and Scribner Memorial Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1965 - December 31, 1966: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Surplus increased by $8,570.53 in 1966.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus

Net Budget Surplus	$8,567.13	
Long Term Notes Paid	9,710.00	
Increase of Cash in Hands of Town Clerk	302.78

Comparative Statements of Appropriations & Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $6,142.09, plus a revenue surplus of $2,425.04, resulted in a net budget surplus of $8,567.13.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

Water and Electric Departments: (Exhibits G-1, G-2, G-3 and G-4)

Statements showing the financial condition of the Water and Electric Departments as of December 31, 1966, and the financial activity in these departments during the year, are presented in Exhibits G-1, G-2, G-3 and G-4.

Statement of Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit H.

Scribner Memorial Trust Fund: (Exhibits I-2 and I-3)

Statements of the Scribner Memorial Trust Fund Principal and Income Accounts are included in Exhibits I-2 and I-3.

District Nursing Association: (Exhibit J)

A statement of the activity in the District Nursing Association account for the fiscal year is included in Exhibit J.

Ashland Beach Booster Association:
(Exhibit K)

Exhibit K presents a statement of the accounts of the Ashland Beach Booster Association.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by $4,860.53, from $31,834.20 to $36,694.73 in 1966, as shown herewith:

	December 31, 1965	December 31, 1966
Total Assets	$264,174.13	$313,588.33
Current Liabilities	232,339.93	276,893.60
Current Surplus	$ 31,834.20	$ 36,694.73

Surety Bond:

The surety bond of the Town Treasurer should be increased from $20,000.00 to $35,000.00.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

The experiment commenced a year ago, viz: keeping the Library open two hours an additional afternoon for the special benefit of Elementary School students, has proven very worth while and will continue to function as at present, with Mrs. Ida Brown in charge.

We are pleased to report Mrs. Brown is now our Ass't Librarian and has already proved herself invaluable in many ways. She continues to provide reading matter for those residents of the Vail Nursing Home who wish it. Together, our Librarian and Assistants provide service of which we can all be proud.

Our thanks and appreciation to the Scribner Trustees for the new storm windows in the sun porch, used so very much for studying. Previously it was often too cold for the students, but not any more.

The Ashland Paper Mills Employees' Ass'n. made a very generous gift to the Library of the sum of $132.13. With this we have already purchased a much needed new set of World Book Encyclopedias and are now able to allow the old set to be loaned for study and reference purposes. This is proving beneficial to the students.

We would be very remiss did we not express appreciation to Mrs. Jeannette Shaw for the care she gives to the Library. It matters not when one goes in nor how much it has been used, it is immaculate. Ashland citizens can take justifiable pride in their Library.

And as always, our thanks to the Scribner Trustees for their continued thoughtfulness and co-operation.

Throughout the year the Dustrict Nurse meets with and works with the following for the betterment of community health: Local and State Board of Health Officials, Welfare Workers, Social Workers, Public Health Nurses, etc. Plus working with doctors from Hanover Clinic, Laconia Clinic, Plymouth, New Hampton, Meredith, and local.

Throughout the year much record work is done, telephone conference, consultations, etc.

Hospital beds, crutches, walker, wheel chairs, etc. for those that need them are loaned by your District Nurse.

Your District Nurse is on Duty Monday through Friday from 8 A. M. to 4 P. M.

We would like to thank all those we work with throughout the year for the betterment of community health.

There are many duties the nurse performs other than the routine duties that are too numerous to mention.

Report of the Ashland Municipal Court

During the year 1966, 165 cases were entered in the Ashland Municipal Court.

Of these, 133 were criminal cases, 26 were small claims and 6 were juvenile cases.

In the juvenile department 3 cases were of neglected children and 3 were cases of delinquent children.

The court returned to the town of Ashland $1,492.76 in fines and fees. This is an increase of $706.65 over that of 1965. After paying all expenses of the court including the salary of the justice, the court showed a profit of $1,042.76.

The total of 133 criminal cases is an increase of 47 over that of 1965 in which there were 86 criminal cases.

In the juvenile department there was a decrease of 5 cases, there being but 6 in 1966 as against 11 in 1965.

This is most encouraging when one considers that juvenile delinquency on the State and National level is on the increase.

It is my opinion that the fine police work of Chief of Police, Deane C. Bavis and State Trooper Thomas D. Winn is responsible for this decrease in delinquency.

It will be interesting to know what action the present legislature takes concerning the authority of the courts to suspend licenses in motor vehicle violations. Under our present law the courts can only suspend or revoke licenses where the operator is found guilty of driving while intoxicated, reckless operation, or driving to endanger. In all other cases such as unreasonable speed etc. the courts can only recommend suspension of licenses to the Director of Motor Vehicles.

At the November meeting of the N. H. District and Municipal Court Judges Ass'n. a resolution was adopted to introduce a bill in the 1967 Legislature to give judges the statutory authority to suspend licenses and also impose a short

period of imprisonment against dangerous offenders or offenders with wrong attitudes who appear to be unwilling to change their feeling of disrespect for law. Governor King, in his inaugural address stressed the need for such legislation. Therefore, some type of legislation in this regard will be enacted. It is the only way the senseless slaughter on our highways can be stopped.

In conclusion. I will state that Ashland can be justifiably proud of its new County Attorney, William (Bill) Deachman. To my knowledge he is the first County Attorney ever elected from Ashland. "Bill," as he is affectionately known is an attorney of exceptional ability and background. He will be of tremendous help to all law enforcement officers in Grafton County. I urge all citizens in the interest of justice to give him their full support in his prosecution of crime.

Respectfully,

Hiram Gingras, Justice

This has been a busy year for the Police Department, covering all fires, funerals, emergency blood runs, emergency runs to the hospital, calls for oxygen, assisting in ambulance services, also fill in for both ambulance service, so the Town can have full twenty four hour service.

In the past year, we have had a lot of Town Meetings and Elections, which we have to be present.

We also have Interstate 93, which causes a lot of complaints, cars broken down, automobile accidents, etc.

All crime rates in New England have risen by at least 25%, according to the latest FBI bulletins for this area.

The Ashland Police Department would like to thank Judge Hiram Gingras, for his fine cooperation in the Ashland Municipal Court, also for the assistance of State Trooper Thomas Winn, who has donated a lot of free hours for our town. Also for the Auxiliary Police who has assisted in town holidays, parades, and at most all fires, their help is greatly appreciated.

Report of Civil Defense Director

For Year 1966

The main action this year has been with the Auxiliary Police section of the Civil Defense. In preparation for possible calls to the Weirs or to Loudon, we added equipment along this line. This equipment is also quite useable in our own local area, in case of trouble.

Along the Civil Defense needs we have added communications equipment which will give us much better contact in Town, and also enable us to communicate with Plymouth and the other Towns of our area. In case of an emergency in our own area, we would have quite a bit of work to do with Plymouth, and even in case of power failure, we could still use auto battery power to maintain communications. Also with this set-up, we will be able to maintain contact with our Chief of Police and Special police.

After writing a few letters, I have permission to use the Plymouth pistol range, and with the purchase of a .22 pistol we should be starting our training early in the 1966-67 winter. We are trying to get a room set up to use for the Police unit, in order that all their equipment may be kept at one central location. This would provide us with a place for our radios and police equipment so that in case of an emergency, any or all of the members could go there and know that they could get the necessary equipment for any emergency.

One other thing discussed at the Police meetings was the possibility of having an emergency signal, just for the Police via the town fire alarm system. In case of traffic, fire, or water emergencies, much time could be saved this way.

Respectfully submitted,

Thomas M. McNamara

Civil Defense Director

Report of Planning Board

Changes occurred in the membership of the Planning Board in 1966. Chairman Laurent Ruell resigned after many years of faithful service and devoted interest in planning. Mr. Ruell served the Board in other capacities including secretary and member of the board. This vacancy was felt greatly by his co-members. The chairmanship was assumed by James Rollins, a newly appointed member of the board, who also serves as the chairman of the Ashland Chamber of Commerce. Members Aurol Chaisson and Milton Graton resigned, and Raymond Greene and Ronald Abear were appointed to replace them. Mrs. Beverly Bailey, who teaches at Ashland High School, was appointed stenographer, a position which the State asked us to fill.

During 1966 the primary planning stage of the "701" program was initiated. Mr. John Atwood and Mr. Jack Warblow of Atwood & Blackwell, consultants for the Town of Ashland, attended a majority of the lengthy meetings. Many hours were consumed in evaluating their presentations, graphs, and charts. Among the important topics presented were recreation buildings, public schools, comparison of schools, enrollments, census, cost of public education, Ashland expenditures for education, sewage collection and treatment facilities, standard of classification of surface waters in New Hampshire, exempt properties, comparison of tax ratio of town and New Hampshire, Ashland tax rates 1957-1965, traffic analysis, regional traffic, traffic and circulation, Ashland planning survey, local planning standards, survey of major findings, Ashland water system, comprehensive town planning, community facilities, and commercial development in Ashland and this area.

In June a dinner meeting was held with the Chamber of Commerce, an informational meeting. The public was invited, and the "701" program was explained by Mr. Atwood.

In October, Chairman James Rollins attended a Planning Board Seminar in Concord.

In September and October, an Ashland Planning Survey was conducted. Forms were sent out to be filled in by heads of households or individuals. The completed forms were evaluated by Atwood & Blackwell. A wealth of information was obtained by this method pertaining to future planning. This information will be released to the citizens later.

Late in the fall, we took up the house numbering project,

which had been begun by other members but never completed. To date several streets have been numbered on our town map. The project will be finished early in the spring of 1967 and all house numbers will then be published. This is a job that has needed doing for many years.

A proposed neighborhood shopping center was discussed at great length at several meetings. Several articles concerning the center were published in area newspapers during the year. More details of this proposal will be made available during 1967.

A series of public meetings will be held so the citizens may meet with members of the firm of Atwood & Blackwell and with the Planning Board to discuss our reports. Maps, charts, slides, and graphs will be on display. We expect to present a comprehensive program under the "701" urban planning which will be dynamic and which will meet with the citizens' approval.

Ashland, from the viewpoint of a planner, has been stagnant as regards expansion since the turn of the century. Meanwhile, neighboring towns have been making steady progress. What have we gained by sitting back and dreaming of "what Ashland used to be" and "what Ashland used to have?"

We must take a positive approach to the future. Only by careful planning and action can we update Ashland's business district. It can become a magnetic hub for this "93" area. The potential is here now. It is up to the citizens of the Town to decide whether we will take advantage of the opportunity that is ours.

The Planning Board welcomes any inquiries and sincerely hopes that the people of Ashland will give us a vote of approval at the spring meetings.

Respectfully submitted,

John R. Smith, Secretary

Report of Fire Warden

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important - instruct your children that matches are not playthings.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

Warden

Annual School District Meeting

Minutes of March 9, 1966

In accordance with the School District Warrant, legally signed by the School Board of Ashland, and posted February 16, 1966, by Harold Emerson, Chairman of the School Board, the meeting was called to order by Moderator Thomas Pryor at 2:00 p.m. on March 9, 1966, at the Ashland School Auditorium - Gymnasium, and the Warrant was read. The polls were declared open.

Upon motion, duly seconded, is was voted that the polls remain open for voting on Article 1 until 8:00 p.m., and at that time the remaining articles be acted upon.

Ruth Morrison was sworn in as ballot clerk.

Mary W. Ruell was sworn in as ballot clerk at 5:00 p.m.

At 8:00 p.m. the polls were declared closed by the Moderator. The Meeting was opened with prayer by Rev. William H. Low. The Moderator led the Pledge of Allegiance to the flag. The Articles of the Warrant were taken up, with the following results:

ARTICLE 2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

The motion was made and duly seconded that the reports of Agents, Auditors and Committees be accepted, and that the District vote to approve the salaries of the School Board, Attendance Officer and other officers and agents of the District as proposed in the budget, namely; School Board $100.00 each; Chairman $150.00; Clerk $30.00; Treasurer $300.00; Moderator $30.00; Ballot Clerks $40.00; Census Taker $40.00; Attendance Officer $50.00; and Bookkeeper $600.00 as proposed in the budget. So voted.

ARTICLE 3. The motion was made and duly seconded that the District vote to raise and appropriate the sum of $200,445 for the support of schools, for the payment of salaries for the school district officials and agents, and the payment of the statutory obligations of the District.

Harold Emerson, Chairman of the School Board requested permission to go over the Ashland School District Budget for 1966 - 67 item by item. Permission granted by the Moderator.

Budget sheets were distributed to all citizens in attendance, and each item was read, with comparisons to the budget of 1965 - 66 and actual expenditures of 1964 - 65. Explanations were made where necessary or when questioned.

The Moderator then asked, "Are you ready to accept Article 3 with an obligation of $200,445.00? The affirmative vote was unanimous.

ARTICLE 4. The motion was made and duly seconded that the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

A question and answer period assured the voters that this article did not apply to the Elementary and Secondary Education Act; that Ashland is not entitled to funds from that Act; that to be eligible in the future would involve a special hearing; that this motion includes acceptance of funds from N. H. Sweepstakes, Building Aid on the Ober School, a return of $20.00 per student on Driver Education; Federal Aid since 1958 for Science and Guidance, and since 1917 on Home Economics and School Lunch programs.

The Moderator then asked, "Are you ready for the question?" The affirmative vote was unanimous.

ARTICLE 5. To transact any other business that may legally come before the meeting.

A discussion with regard to the need to continue planning for school expansion resulted in the following motion being presented by Norman Weden, seconded by Dr. Bricker:

> To form an informal study group to study with a group from Holderness and Campton as to the feasibility of a Coop consisting of the towns of Ashland, Holderness, and Campton - the present Planning Members to act as the study group for Ashland.

The affirmative vote was unanimous. The Moderator declared the meeting adjourned.

ARTICLE 1 Results of balloting for candidates. Total ballots counted and approved for this meeting, 316. Total ballots cast, 164.

Moderator

Thomas Pryor had 84 votes. Glenn W. Bricker, M. D. had 79 votes. Thomas Pryor having plurality, was declared elected.

Clerk

Lena B. Hickey had 145 votes.

Treasurer

Thomas W. Heinz had 148 votes.

Two School Board Members for 3 years

J. Carlton Beard had 101 votes. Patricia Heinz had 124 votes. John C. Hughes had 48 votes.

J. Carlton Beard and Patricia Heinz having plurality, were declared elected.

The Moderator was sworn in by the Clerk. The Treasurer and School Board members were sworn in by the Moderator.

The Ballots were sealed and signed by School Board members and by the Moderator, as required by law.

Respectfully submitted,

Edna R. Emerson,
Clerk

Ashland School District

Special Meeting, February 24, 1966

In accordance with the School District Warrant, legally signed by the School Board of Ashland, and posted on February 9, 1966, by Harold Emerson, Chairman of the School Board, the meeting was called to order by Moderator Thomas Pryor at 8:00 p.m., February 24, 1966, at the Ashland School Auditorium-Gymnasium, and the Warrant was read. The polls were declared open by the Moderator.

The motion was made to close the polls at 2:00 a.m. Motion seconded. The maker of the motion was notified by the Moderator that he was out of order.

The Moderator swore in the ballot clerks, J. Carlton Beard, Mary W. Ruell, and Ruth Morrison.

The discussion continued regarding the reasons for keeping the polls open beyond midnight.

A motion was made that the polls close at 12:00 midnight. Voices from the floor said, "There is already a motion before the house." The Moderator asked if the first motion had been seconded, and being assured that it had been seconded, announced that he would not be responsible for any action taken at the meeting after midnight, if the people voted to keep the polls open beyond that time. He then stated the motion, asked for those voting in the affirmative to say "Aye" - opposed, "No." The "ayes" were almost unanimous. The motion was carried.

The balloting continued and at 2:00 a.m. the Moderator announced the results of voting, after the polls were closed and ballots counted.

> "Shall the School District accept the provisions of New Hampshire R. S. A. 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of Rumney, Thornton, Warren, Wentworth, Campton, and Plymouth in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk."

Total votes cast: 216; YES, 76; NO, 140

The ballots were sealed and signed by the School Board members and the Moderator, as required by law.

The meeting adjourned.

School District Warrant

Grafton, SS **School District of Ashland**

To the Inhabitants of the Ashland School District in the Town of Ashland, in the County of Grafton, in said State, qualified to vote in District affairs:

You are hereby notified to meet at the Ashland School Auditorium-Gymnasium in said District on the 15th day of March 1967, at 2:00 p. m. in the afternoon, to act on Article 1 hereof, and you are further notified to meet at the same place on the same day at 8:00 p. m. to act on the remaining articles in this warrant:

Article I of this warrant covering the election of Moderator, Clerk, Treasurer and two members of the School Board will be acted upon at 2:00 p. m., and voting will be by official ballot and check list. The polls will remain open for this purpose from 2:00 p. m. until 8:00 p. m., if the meeting so determines.

Article 1. To choose by ballot a Moderator, a Clerk, and a Treasurer to serve one year, and two members of the School Board to serve a term of three years.

Article 2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to instruct the School Board:- to introduce sex education courses, suitable for each age level, into the curriculum of the schools, - the material to be presented to be that prepared for the Joint Committee on Health Problems in Education of the National Education Association and the American Medical Association for use in such programs; to provide parents with the opportunity to attend orientation classes concerning the subject material prior to its being taught to their children; and, to permit those children whose parents object to their children attending the course to be excused from attending upon written request from the parents. (By Petition)

Article 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Article 5. To see if the District will vote to authorize the School Board to make application for and to accept, on the behalf of the District, any or all grants of offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Article 6. To see if the District will, pursuant to N. H. RSA 195-A:3, create an authorized regional enrollment area school planning committee consisting of three qualified voters of whom at least one shall be a member of the School Board.

Article 7 To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 16th day of February 1967.

SUMMARY OF FINDINGS AND RECOMENDATIONS

August 25, 1966

The School Board
Ashland School District
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets:
(Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein, the Net Debt decreased by $843.15 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition:
(Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:
(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of $4,677.41, plus a net unexpended balance of appropriations of $2,226.51 resulted in a net budget surplus of $6,903.92.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

Statement of School Tax Account: (Exhibit H)

A statement of the Student Activity Accounts is included in Exhibit H.

Statement of School Tax Account: (Exhibit I)

A statement of the School Tax account with the Town of Ashland is presented in Exhibit I. As indicated therein, as of June 30, 1966, the School District had received from the Town the total of the 1965-66 School Tax amounting to $137,186.79.

Statement of Bonded Debt: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by $4,156.85, from $11,060.77 to $6,903.92, during the fiscal year ended June 30, 1966, as shown herewith:

	June 30, 1965	June 30, 1966
Total Assets	$11,903.71	$7,429.72
Current Liabilities	842.94	525.80
Current Surplus	$11,060.77	$6,903.92
Current Liabilities	845.94	525.80

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

Report of Superintendent of Schools

To the School Board and Citizens of Ashland:

I respectfully submit my twelfth annual report as Superintendent of the Ashland School District.

Staff

The schools opened in September of 1966 with nine new staff members.

Mr. Jesse L. Bartlett, Assistant Principal and a member of the staff for the past seventeen years, was appointed Principal. He replaced Mr. William H. Marston who had served as principal for three years and had accepted the position of Principal of Pembroke Academy.

Mrs. Alida W. Buckland of Plymouth, a graduate of the University of Vermont, and a former teacher in Woodstock and Newport, Vermont, was elected to replace Mrs. Gayle Davis who accepted a position in Home Arts at Laconia Junior High School.

Mr. Leslie G. Childs of Concord, and a graduate of Plymouth State College, was elected to teach the physical education classes and serve as coach, replacing Mr. E. Ray Brown who accepted a position in Peterboro, New Hampshire.

Mrs. Katherine K. Deachman, a graduate of Clark University and a former teacher in Massachusetts, California and Plymouth, New Hampshire, was elected as the additional teacher in the Junior High School due to the increased enrollment. Mrs. Dearborn is teaching the science classes.

Mr. Roger C. Heath, a graduate of Northern Arizona University, was elected to teach English in the Junior High School. He replaced Mrs. Jane H. Moulton who is at home caring for her family.

Miss Sylvia A. LaFrance, a graduate of the University of New Hampshire, replaced Mr. David A. Ross as teacher of mathematics. Mr. Ross accepted a position in Berlin, New Hampshire.

Mr. Henry A. Miller of Meredith, and a graduate of Fitchburg State College, replaced Mr. Bartlett as teacher of Industrial Arts. Mr. Miller was in an engineering office in the U. S. Navy, teacher at Attleboro Trade High School and since 1963 has been the Director of the Trade School.

Mrs. Betty M. Novak of Moultonboro, and a graduate

of Plymouth State College, replaced Mrs. Gayle Staples as teacher of English in the High School. Mrs. Novak was a member of the staff at Kingswood Regional High School this past year, and the previous year she was Teaching-Headmistress at the Anglo-American School in Fuengirola, Spain.

Mr. Ronald E. Towne of Bridgewater, and a graduate of the University of New Hampshire with a Masters Degree in Science, replaced Mr. Stephen Fairfield as Science Teacher. Mr. Towne was a former instructor at Virginia Polytechnical Institute and a former teaching fellow at the University of New Hampshire. Since 1951 Mr. Towne has been an Instructor in Navigation and Flight Evaluator with the Military Transport Service of the U. S. Air Force.

Mrs. Myrtle B. Craig of Rumney, and a graduate of Plymouth State College, replaced Mr. Hugh F. O'Donnell, as teacher in grade five. Mr. O'Donnell accepted a position in the Inter-Lakes Elementary School.

Additions and Improvements

The stage curtain in the Auditorium-Gymnasium was replaced and darkening shades were placed at the windows.

A lawn with fence and shrubbery were placed in front of the gymnasium.

Costs

The property tax assessment for the school year 1966-67 was $156,690.55 which is 69.13% of the total property tax. The median for the state is 67.53%. The District received $26,049.21 under the Foundation Aid Program, $5,265.98 from Sweepstakes, and $1,173.34 from Building Aid.

The cost per pupil as computed by the State Department of Education for Ashland for the school year 1965-66 is as follows: Grades 1 - 6, $312.68, Grades 7 - 8 $434.80 and Grades 9 - 12, $723.98. The state average is as follows: Elementary $401, Junior High $518, and High School $589.

Salary Schedule

The Ashland School Board has increased the starting salary from $4,500 to $4,700 for the school year 1967-68. The annual increment is $200 and increases to $6,200 after eight years of experience.

This schedule is below the majority of the Districts that maintain high schools, and this year the New Hampshire Education Association is requesting legislation for a minimum of $5,000 effective in September 1968.

Conclusion

Learning takes place in the classrooms, and at this time, I wish to commend the members of the staff and principal for the excellent job they are doing in meeting the needs of the individual pupils.

The School Board, as the agency designated by the District and State, decides the policies, and the Superintendent's duty is to see that they are carried out. The Ashland School District is very fortunate in that it has such a dedicated School Board.

MARTIN E. HEFFERNAN

Superintendent of Schools

SUPERVISORY UNION #2

BUDGET

The Supervisory Union Budget for the 1967-68 school year is prorated among the three districts on the basis of the 1965-66 average daily membership and the 1964 equalized valuation as follows:

District	Percentage	Supt's Salary	Office Exp. Sec. Salary & Travel
ASHLAND	18.90%	$ 1,937.25	$1,641.84
INTER-LAKES	67.50%	6,918.75	5,863.66
HOLDERNESS	13.60%	1,394.00	1,181.42
	100.00%	$10,250.00	$8,686.92

The Superintendent's salary for 1966-67 is $12,000.00. The Supervisory Union's Share is $9,500.00 and the balance of $2,500.00 is paid by the State Department of Education.

Principal's Annual Report

The following is the principal's annual report for the year 1966-67. It is hoped that the following information may be of help and usefulness.

ELEMENTARY REPORT

The new school year began with a different time schedule in the Elementary School. This year school begins at 8:05 and ends at 2:15 for Grades 1-2-3, and begins at 8:05 and ends at 2:30 for Grades 4-5-6. This gives a long morning session and a short afternoon session which both students and teachers find beneficial. The necessity of transporting both Elementary and High School students on the same bus run makes the new time schedule mandatory.

The new mathematics program "Mathematics Through Discovery", is making good progress. It has been a challenge to both students and teachers, however, much progress is being made through the entire Elementary School. This year as in the past continued emphasis has been placed on the reading program that has been functioning so well in the past.

The enrollment is steadily increasing as is evident by the grade tally listed below. In the Elementary School alone, we have received eleven students and transferred only six, which gives us a net gain of five as of February 17, 1967. As an example the sixth grade with an enrollment of thirty-seven is overcrowded which does not allow room for proper teaching as well as presenting a safety factor in case of fire. Grade six is not the only grade thus effected by increased enrollment. Next year grade three will contain approximately forty-one pupils. To have effective teaching and adequate pupil progress this number must be reduced. The one possibility is to have a split 3rd and 4th grade. While not desirable this will solve the problem of the class size, but will not solve the room problem. Unless another room is located the present remedial room will have to be used. This will necessitate the curtailing of the remedial program we now have which would be a set-back for the school system. Additional rooms and teachers are a must in the Elementary School if we are to make progress in the education of our children.

HIGH SCHOOL

Ashland High School started the present school year classified as an approved secondary High School. This status

was established by the State Minimum Standards and Practices, and ends Ashland High School's comprehensive rating. Last year the classes in Junior and Senior High School did not meet the state standards as to length of class periods. Some were forty minutes, some were forty-five minutes, and some were only thirty-six minutes long. Permission for this length of class period was granted by the state on a temporary basis. To change this the school this year went on a new eight period day of fifty minutes each. This makes the school day begin at 8:05 and end at 3:26.

No new courses have been added this year. Art as a regular course was dropped due to the lack of facilities, which resulted in the loss of Mr. Fortune the Art Instructor. This was a definite set-back to the curriculum at the High School level.

As in the Elementary school, the High school is in dire need of additional rooms. Many of the High School classes contain thirty-five students and there are at least four rooms in the High School which can hold only twenty students. The lack of room makes it necessary to use both the cafeteria and the gym as classrooms and study halls, which impairs the overall academic progress of the students, causes difficult scheduling, and increases the length of the school day. If the Ashland School system is to keep pace with the growth of education in New Hampshire, Ashland must provide more classroom space and teachers or deprive its children of an adequate education according to modern standards.

I wish to take this opportunity to thank Mr. Martin E. Heffernan, the school board, the faculty, the students and their parents for their cooperation throughout this, my first year as Principal.

Respectfully submitted,

JESSE L. BARTLETT
